

Dear all,

I attach a flier which I invite you to share with any friends you think might be interested in attending the open afternoon on Wednesday. Please can we have as many of the current members attending as possible please to make any possible new recruits feel really welcome. It's going to be a fun session with lots of new songs and activities, and the quiz as last year!

This will be the last session before the summer break and we start back on Wednesday 30th August. More information on its way - I will send you the calendar as soon as I can.

Thanks and best wishes,
Emma
