Dear Parents/Guardians

An invitation to receive Holy Communion

I am writing at the beginning of this new year to let you know that this term we shall be offering a six week preparation course for any children aged 7 or over who would like to begin receiving Holy Communion. This would be in readiness to receive their first communion at **All Saints on Easter Day, Sunday April 16th**.

(For choir members who belong to other churches as well as All Saints I suggest you talk it through with your regular church minister to see whether this would be appropriate or not.)

Dates and details of the preparation sessions will be published in due course but at this stage I would like to know what interest there may be. I shall be at choir practice at 5:30pm this coming **Wednesday 18th January** to explain more to parents and answer any questions you might have.

I must stress this is an invitation only not a compulsory part of belonging to the Children's Choir! Every child and family is different and this may or may not be something they wish to do.

If you are not able to come on Wednesday but would be interested in finding out more please contact me on the email address or phone number below.

Thank you so much for the support you have given the Children's Choir over the last year and in particular their role in leading worship at All Saints. As the people who act as taxi driver for your children, in amongst what I know will be busy lives, thank you for making it possible for the children to sing so regularly with us. I look forward to hearing more from them this coming year.

kind regards

Reverend Wendy Dalrymple
Rector of All Saints with Holy Trinity Loughborough
