

Dear parents/carers,

Thank you to all the children who came to the service yesterday morning. They really did themselves proud! If your child was at the service yesterday, they should have been given a letter from Wendy inviting them to prepare to receive Holy Communion in All Saints. This letter is attached to this e-mail for the benefit of those who weren't at the service yesterday (or for those whose letter got lost in-between church and home!). I must reiterate Wendy's statement that preparing to receive Holy Communion at All Saints is completely optional and is not a compulsory part of belonging to the choir at all.

On another matter, a parent approached me after the last rehearsal asking if I could explain a bit more about the church organ to her child. I said I'd be happy to that and proposed arriving for early for choir rehearsal one day to do this. If any other child is interested to know more about the organ they would be most welcome to come along too. The time we have chosen is 4:20pm on 25th January. This should give us about 20 minutes before the rehearsal.

Best wishes,
Malcolm
