

Please don't forget that the timings are different tonight, in light of the Christmas Tree Festival - please arrive in time to start rehearsing at 6pm sharp at All Saints. Uniform is white shirt, black trousers/skirt and black shoes.

We are in the first half of the concert only (which starts at 7pm) so if you would like to remove younger children before the second half to avoid a late bedtime, please let us know. It is really important you sign all children out with a leader before taking over responsibility for them again.

Thank you and look forward to seeing you all later.

Emma
