

Dear Parents,

Just a quick note about Sing Christmas. Please hand your children over to us in St Martin's House foyer (St Martin's House is across the Cathedral gardens from Leicester Cathedral so they can be ready to start at 4.45pm. It looks like there would be space for parents to sit at the back of the hall and listen to the broadcast live. (Not really appropriate for young children.) There will be a squash break in the middle, but they may like to bring a bottle of water and a packed tea or at least a snack, which there will be time to eat before the broadcast. They can wear casual clothes/Christmas jumpers etc, as its really important they have their black and white uniform all fresh and clean for tomorrow!!!

Mayors carol service tomorrow - **please arrive ready to start at 6PM!!!** The time on the calendar originally agreed has been changed because we are now singing a joint piece with the adult choir which we need to rehearse with them. The service will start at 7pm and all are welcome to attend what will be a fabulous carol service. The service will last approx. 1 hr (8pm pick up) and refreshments will be served afterwards.

*DioSing!* Musical Advent Calendar CDs will be available to purchase at Sing Christmas or the Mayor's carol service at £4. They feature 2 amazing tracks from Loughborough Children's Choir and 24 tracks altogether - carols sung by young people from all around Leicester(shire). Artwork by our very own Amadea. They make fantastic Christmas presents.

Thank you for your ongoing commitment - we're nearly there!!!  
Best wishes,  
Emma
