

Dear parents/carers,

Below is a message from the leader of the Sunday morning children's work in All Saints about a fun activity for children on Easter Saturday.

Incidentally, thank you very much for your continued support of the choir over the last term. At the last session this week we handed out the choir payments to the children based on the number of sessions they had been to. If your child wasn't there on Wednesday they will get their payment next term. Incidentally, I still have a few payments from the previous term to hand out. I'm sorry it's taken a while to hand out the last of these. This was due to Stacey's prolonged absence this term.

I wish you all a pleasant Easter.

Best wishes,  
Malcolm

You may already have received a flyer, but this is just a quick message to remind you that on Saturday 4th April we will be holding children's Easter Activities at All Saints' from 10am-12pm. There will be crafts, singing, refreshments, Easter garden making, an egg hunt and more. All ages are welcome.

Best wishes,  
Bridget

Children's work volunteer, All Saints with Holy Trinity
