

Hi all,

Firstly, thanks to those who were there on Sunday - the choir made a wonderful sound and we had some lovely comments as usual after the service. One was from a local professional musician who was very impressed with the children's singing.

Secondly, I would like to confirm that there **IS** a rehearsal on this Wednesday (tomorrow) - I realise it wasn't originally on the calendar I gave out, as I wasn't sure I would be able to get someone to lead the rehearsal (I have a concert), but I'm pleased to say that my colleague Simon Headley, Assistant Director of Music at Leicester Cathedral has kindly agreed to take the rehearsal. So please come as usual on Wednesday as the choir needs to rehearse ready for Easter Sunday Morning, and a busy term next term, more to follow about this! Please email as usual if your child is unable to attend and I'll pass this on.

Thirdly: signing out. I would just like to issue a reminder to parents/carers about collecting your child(ren) after rehearsals, services and other events. Please make sure you have signed your child out with whoever has the register. Its normally myself, but it might be Malcolm or Chris. so please make sure whoever it is has ticked your child off before you leave with them. This is to ensure that we are keep all the children safe and no child goes without their responsible adult.

Thank you and best wishes,
Emma
